CLUB NEWS

January 2021 Directors Meeting. Directors present were: Bedwell, Binnion, F & D Bohuslav, L & L Carr, Chaddick, Coughran, Culley, B Davis, R Davis, Hare, Hastings, Johnson, Jones, Kroes, Mason, Wagner, Watson, Wearth and Woods. The invocation was given by Larry Carr and the Pledge was led by Ana Bedwell. The Minutes for the November and December meetings were reviewed. Johnson motioned to accept and Wagner seconded. The motion was approved. The Financials were reviewed for November and December. Johnson motioned to accept and Kroes seconded. The motion was approved. Chaddick thanked the cooks for the meal. CORRESPONDENCE: Bohuslav said we received thank you from Pat and Betty for their Christmas bonus. A thank you was received from the State Hospital for the $317.00 donation. (Director's donations from the November meeting). Also received was a Christmas card from Alpine Range Supply. GUN CLUB: Culley listed upcoming dates scheduled for matches this year: April 10–Burk Football Booster Club, May 15–4-H Dist. Shotgun, June 12–Rotary and Oct. 15–NT Home Builders. 4-H Shotgun classes starts Feb. 9 and ends sometime in April. We may have to do 2 safety meetings depending on the number signing up. There will be required forms to be filled out by the youth, parents and instructors each week. He

NWTF&S OFFICERS

President	LeRoy Chaddick
1st Vice President	Mark Watson
2nd Vice President	Rick Coughran
Treasurer	Frank Jones
Parliamentarian	Larry Carr
Sergeant-at-Arms	Eric Binnion
Executive Director	Frank Bohuslav
Ex Officio Director	Roger Kroes
Office Secretary	Betty Getchell
Assistant Secreatry	Pat Wearth
Club Office	940-692-1141
FAX Number	940-696-9294
Web Site	www.nwtfs.org
e-mail	office@nwtfs.org

is concerned about the District shoot and the number of people that attend. Iowa Park has held shoots with no problems. They are looking at the possibility of doing a 2-day shoot to break up or split between IP and our range. IP has approved the use of their facility for 2 days if we need to. They are working out the logistics. The District shoot would be May 15-16 with a food truck available for participants and their families. 4-H RIFLE/PISTOL: Kroes stated the 4 -H Dist meet is set up for April 24. Of course it's all dependent on Covid-19 at that time. They will have to divide the ranges as occupancy may be an issue. Possibly ration the number of slots by County. Plan as best we can and make adjustments as needed. Binnion noted that he's got an 8 year old in 4-H who totally loves it!!! :) 4-H BLACK POWDER: Johnson reports they will start March 7th. He is working on getting supplies. We do not know how many have signed up so far. Coughran found 1,000 # 10 primers that he has ordered. The cost of around $100.00. Kroes motioned to reimburse him for the cost. Johnson seconded. The motion was approved. Binnion noted that he is going to Houston and will look for FF black powder. ADULT BLACK POWDER: The class will be Feb. 13 and they have 6 signed up so far. PISTOL: Binnion said the League will start sometime mid-March. He is working on getting pistol matches back on track. Dates so far are Mar. 27, May 22, and June 26. They will be CMP sanctioned as they have taken over handling matches lately. Kroes noted that NWTFS has been a CMP club member for 20 years!! We received a flag stating such and will be displayed. The Red River Regional will be Sept. 24-26th. They are working on getting the League sanctioned by CMP. RIFLE: Brian Davis said they had 4 shooters on a very cold January Day. Roy Woodman edged by 1X. Jimmy beat them by a couple of points. The next match is Feb. 6. 4-H Rifle had a few brand new students. Beatrice has found that she likes to shoot the biggest, longest rifle we have. GUN SHOW: Johnson said the Gun Show will be Jan. 30-31 and has the slots filled. OLD BUSINESS: Kroes held the vote on Executive Officers that were nominated in November: President-LeRoy Chaddick, 1st Vice-Pres.-Mark Watson, 2nd Vice-Pres,-Rick Coughran, Executive Director Frank Bohuslav,

NWTFS DIRECTORS L TO R: ROGER KROES, MARK BEDWELL AND BILL JOHNSON PREPARE FOR ANOTHER BUSY DAY AT THE BB GUN RANGE AT THE GUN SHOW. THERE WERE 2 4-H MEMBERS, JACE JACKSON AND LENNON TUCKER, WHO HELPED ALONG WITH JACE'S MOTHER MANY SEDDEN.

ADULT BLACK POWDER ORIENTATION COURSE FEBRUARY 13, 2021

SOUTHWEST PARKWAY OFFICE:

8:30 am to 11:30 am–Principles, care, safety while dealing with primitive firearms.

11:30 am to 1:00 pm–Lunch and travel to NWTFS Shooting Range.

1:00 pm to 4:00 pm–Practice loading and firing muzzle loaders.

4:00 pm to 4:30 pm–Learn to clean firearms.

MINIMUM CLASS SIZE–4, MAXIMUM CLASS SIZE–12.

IF INTERESTED NOTIFY THE NWTFS OFFICE AT 940-692-1141, or if you have questions contact Bill Johnson at 940-636-0512.

BE SURE TO FOLLOWING THESE GUIDELINES. WHEN VACATIONS ARE AVAILABLE BE SURE TO GET ONE. CHECK WITH YOUR PRIMARY CARE PROVIDER TO DETERMINE WHEN AND WHERE YOU WILL BE ABLE TO GET PROPERLY VACCINATED.

Parliamentarian-Larry Carr,Treasurer-Frank Jones, and Ex-Officio & Past President-Roger Kroes. Jones motioned to approve and Linda Carr seconded. The motion carried. The vote on Directors whose terms expired in December. Patrick Hearn, Roger Kroes, Johnson Lamberth, Rob Rowland, Dot Spangler, and Mark Watson. Jones motioned to approve and Kroes seconded. The motion was approved. Chaddick would like to have a membership drive. He asked if anyone had a preference to do directors or member drive or both. We need to possibly have some type of incentives and recognition. Brian Davis felt with Covid that we may not get much. We could plan for events for later since we can't have any large group gatherings. Chaddick felt we needed to market us more, offer incentives to our members. Brian suggested offering new members to come out and we'll help with sighting, cleaning, etc. It could possibly tie in with an annual meeting. Chaddick offered to extend membership to end of April. Coughran suggested using Facebook as a medium. Culley inquired about how many hits we get on our web page. Binnion said we get 1,200 to 1,600 views with the membership and home pages being the most viewed. Brian noted that he's not getting any info from anyone to post on our Facebook page. NEW BUSINESS: Chaddick stated that the pistol shack that's behind the 15/25 yard ranges is in bad need of repairs. The roof, door, flooring all need to be addressed. Kroes, Chaddick and Tim Owen go out and see what needs to be done and estimate of cost. The building is used as a scoring shack for 4-H to score targets. Johnson said one of the target stands on the 15 yard range was stolen. It needs to be replaced. A work party will be set up and will have new target stands installed. Bedwell offered to cook if needed. Brian Davis asked if we could get concrete poured at the entrance to the range. Roy Woodman offered to help. We are unable to do concrete because of lines that run in the area but will look into gravel. Ms. Pat asked about the survey that's supposed to have gone out. Chaddick stated it was still being worked on. Bohuslav motioned to adjourn. Linda Carr seconded motion. Meeting was adjourned at 8:30. The next meeting is Feb. 25, 2021.

SAFETY FIRST– A Firearm Safety Primer. From PARTNER programs such as NSSF's Project Childsafe and safety programs, SafeGunStorageTexas.com, a Texas Department of Public Safety campaign, and NRA's Firearm Safety and Training Programs, there is a ample information to teach the "10 Commandments of Shooting Safety". The rules are the hallmark of hunter safety education efforts since the 1940's. The rules were developed by the Sporting Arms and Ammunition Manufacturers' Institute (SAAMI) along with NRA and others and used in New York with the first mandatory program in 1949. The rules are covered in the "Top Ten" list.

The Adult Blackpowder Orientation Course is on Feb. 13, 2021. Time is getting close to get your name on the list of attendees. Call the office at 940-692-1141 and sign up.

PENNY PINCHING

A Shelby County game warden followed up on an ongoing investigation of a local individual who had hunted without a valid hunting license when he shot a buck in 2019. The subject confessed to not buying the license to save money for college. Case pending,

TWO LUNKERS & TWO TITLES

The 2021 Toyota ShareLunker season continued its hot start after anglers reeled in two more Legacy Class Lunkers during the final weekend of January. That brings the total to four this year, equaling the amount caught during the 2020 season with two more months still to go. In addition, both anglers went on to win their respective tournaments due in large part to landing the Legacy Lunkers. Angler Derek Mundy, from Broaddus, TX, kicked of the weekend Friday by landing a 13.62-pounder during the Toyota Series Southwestern Division Tournament on Sam Rayburn Reservoir. Mundy recorded the catch using a crankbait shortly after hitting the water. "I pulled up on an offshore hard spot and caught it on the third cast of the day," said Mundy. "When she got to the boat, I knew I was dealing with a good-sized fish but wasn't necessarily expecting it to be a 13 pounder. Fishing in tournaments my goal is to get the fish into the live well as fast as I can so that's where my focus was. However, after taking a look and weighing the fish, it was awesome to see it check in at 13.62 pounds. I caught two more fish 7.5 pounds each on the same bait three casts later." Mundy's Legacy Lunker was the cornerstone to a 39-pound total bag and the tournament championship. "It was a really neat experience being able to donate the fish to the incredible ShareLunker program", added Mundy.

NWTFS DIRECTOR ROGER KROES HELPS A YOUNG LADY GET ON TARGET AT THE BB GUN RANGE.

"It's great that Texas Parks and Wildlife works this hard to put high quality fish in the lakes. They want the fish to live as much as I do and the amount of fish care that TPWD puts into it is outstanding. It's a top-class organization and program for sure. Mundy's Legacy Lunker placed Sam Rayburn back on the board with a Legacy Class fish for the second time this season. Angler Travis Moore reeled in the 13.44-pounder using a Carolina rig during the Bass Champs tournament Saturday January 9 to kick off the 2021 Toyota ShareLunker season. Sam Rayburn has produced 29 all-time Legacy Class ShareLunker, the first two coming in 1993. Angler Daniel Ramsey, from Trinidad, TX reeled in the second Legacy Lunker of the weekend Saturday and fourth of the 2021 season. Ramsey caught "ShareLunker 589", which checked in at 13.07 pounds, at Lake Palestine during the Media Bass Tournament. "Last year during this same tournament on Jan. 26, 2020 I weighed in a 12.65-pound bass off a dock with brush that had 16 feet of water at the end of it. I went back to that dock because I had caught a big one on it the year before, so I knew it held good fish this time of year. My first cast was about 7:01 am and about 7:10, I pitched up under the

dock and started working my M-pack jig back to me. I was within five feet of where I caught the 12.65 pounder last year, when I got the hit. I set the hook and got her to the boat and couldn't believe what I had just done." The catch by Ramsey on Saturday helped propel him to a tournament victory with a total bag of 28.96 pounds. "After weighing her in a 13.07 pounds, we contacted Kyle (Brookshear) and he got everything in motion and got the ShareLunker truck headed our direction," added Ramsey. "They took possession of the fish and I headed back out to try and finish up my limit. The ShareLunker program is a extraordinary program and the folks put in extra time to make sure the fish are taken care of. The quality of fish in Texas lakes is improving in my opinion and the ShareLunker program has played a huge part in it. I appreciate all the work that Texas Parks and Wildlife folks put in to improve our fisheries." It was a milestone for Lake Palestine, marking just the third Legacy Lunker for the fishery in the history of the program. The first Legacy Lunker (#545) at Lake Palestine was recorded March 2, 2013 by angler Lindell Dee Booth, Jr. From Chandler, TX, a 13.14 pounder. The seconded followed on Feb. 1, 2014 with Casey Lee Laughlin of Towlett, TX nabbing Lunker #554, which is a lake record 13.22 pounds. After being notified by the anglers Friday and Saturday, Texas Parks and Wildlife Department (TPWD) Inland Fisheries biologists quickly obtained and transported "ShareLunker 588" and "ShareLunker 589" to the Texas Freshwater Fisheries Center in Athens. This spring, TPWD biologists will attempt to spawn them in a effort to make bigger, better bass that will enhance fishing in Texas lakes for years to come. "Having four ShareLunkers loaned just in the month of January of the collection season is a phenomenal start to 2021", said Toyota ShareLunker Program Coordinator, Kyle Brookshear. "There have only been a few other times in the program;s history that January has been equal to more more productive. Most recently the 2011 season with five entries, the 2005 season with four entries, the 1995 season with seven entries, and the 1992 season with five entries. All of which were extremely productive collection seasons that included the current state record (18.18lbs) and the programs current record high collection season (36 entries). This season is just getting started and with a little cooperation from mother nature, this could be another banner year for the Toyota ShareLunker Program and anglers alike." During the first three months of the season (Jan. 1 through Mar. 31), anglers who reel in a 13+ pound bass can loan it to the Texas Parks and Wildlife Department for the ShareLunker selective breeding and stocking program. These anglers can call the ShareLunker hotline at (903) 681-0550 to report their catch 24/7 until April 1, 2021. Anglers who catch and donate one of these 13+ lunkers earn Legacy Class status, receive a catch kit filled with merchandise, a 13+ Legacy decal for their vehicle or boat, VIP access to the Toyota ShareLunker Annual Awards event and a high-quality replica of the lunker fish. These anglers will also receive entries into two separate drawings; a Legacy Class Drawing and the year-end Grand Prize Drawing. Both drawings will award the winner a $5,000 Bass Pro Shops shopping spree and an annual fishing license. Anglers who enter data for any lunker they catch greater that 8 lbs. or 24 inches during the calendar year 2021 also receive a catch kit, a decal for their vehicle or boat and an entry into the year-end Grand Prize Drawing to win a $5,000 Bass Pro Shops shopping spree and annual fishing license. ShareLunker entry classes include the Lunker Class (8+), Elite Class (10+), and Legend Class (13+). Once a lunker is reeled in, anglers need to enter the catch data on the Toyota ShareLunker mobile app–available for free from the **Apple App Store** and **Google Play**–or on the Toyota ShareLunker online app at **TexasSharelunker.com.** In addition to providing basic catch information, anglers can also provide a DNA scale sample from the lunker bass to TPWD researchers for genetic analysis. The Toyota ShareLunker Program is made possible in part by the generous sponsorship of Toyota. Toyota is a long time supporter of Texas Parks and Wildlife Foundation and the Texas Parks and Wildlife Department, providing major funding for a wide variety of fisheries, state parks and wildlife projects. Prize donor Bass Pro Shops, Lake Fork Taxidermy, American Fishing Tackle Co. and Stanley Jigs also provide additional support for this program. For up date on the Toyota ShareLunker Program, visit **TexasSharelunker.com** or **facebook.com/sharelunkerprogram/.** For pictures of all the Legacy Class

MAMA'S GOT YOUR BACK

Two Harris County game wardens followed up on a local poaching complaint and discovered a suspect who had harvested a white-tailed doe had done so without landowner consent. The suspect confessed to poaching and when asked to collect the deer meat, was surprised to find his mom had hidden the illegal deer meat under the couch while the wardens visited with him outside the home. Multiple charges and restitution pending.

HOLY CRAPPIE

An Upshur County game warden received an anonymous tip about a substantial amount of fish that had been cleaned and dumped at Lake O' the Pines near Ore City. The warden and his partner responded and inspected the property where the fish were dumped and discovered that two out of state fishermen were responsible. The two fishermen had been fishing every day for a week and were staying at a motel at the local marina. Further investigation revealed 273 crappie, 173 over the legal state possession limit, were taken, filleted and stored in ice chests and freezers on the property. More than 350 crappie fillets were seized and donated to multiple families around the area. Multiple charges and restitution pending.

FOWL PLAY

A Knox County game warden received a call about someone hunting without landowner consent, so they partnered with a Haskell County game warden and responded. After a quick investigation, the landowner requested that the deer hunter remove his belongings and leave the property. Soon after, the wardens stopped on a road that travels through a ranch and saw an unknown vehicle with two men driving towards them. When they made contact, the men told the wardens they had not hunted that morning. One of the wardens found three turkey feathers and blood stuck to the hitch rack at the rear of the vehicle. When asked about the feathers, they denied killing anything. The men were separated, and wardens were able to get a confession from one of them about killing two turkeys an hour earlier. The hunter that killed the turkeys failed to tag the birds and had hidden the breast under the back seat of the vehicle. The turkey meat was seized and donated to a family in need. Multiple charges and restitution pending.

THE RENEWAL DATE HAS BEEN EXTENDED TO APRIL 30. PLEASE DON'T WAIT UNTIL THE LAST MINUTE TO RENEW. DUE TO COVID WE WOULD LIKE NOT TO HAVE A LARGE NUMBER OF PEOPLE WAITING IN THE OFFICE TO RENEW AT THE SAME TIME. THANKS FOR YOUR CONSIDERATION.
